Attorney

European Design Attorney

European Trade Mark Attorney

Stephen is a Trainee European Patent Attorney. He graduated from Queen's University Belfast with a First Class Masters degree in Electrical Engineering in 2013.

He joined FRKelly in 2014 having worked for another IP firm in Belfast for over a year. Stephen's areas of expertise include electronics, telecommunications, control systems, physics, mechanics, and software-related inventions.

Stephen is a student member of both the Chartered Institute of Patent Attorneys (CIPA) in the UK and the Association of Patent and Trademark Attorneys (APTMA) in Ireland.

Stephen is based in our Belfast office.
